Joe Walsh was an outstanding baseball coach and an even better person. He touched so many lives through his association with Suffolk University, Harvard University as well as the Cape Cod Baseball League and Amateur Baseball in New England. To honor Joe's life, a group of former players have decided to have a fundraising golf tournament. After consulting with Joe's wife Sandra, we have chosen to establish a scholarship at Catholic Memorial High School in Joe's name. We would love to see as many of Joe's former baseball players as well as girls' basketball players and track/ cross country athletes join us for a great day of golf to raise money to fund this scholarship that we hope to present annually. Contact your former teammates and put together a foursome. It will be a great day for golf and reminiscing. If you are not a golfer, please consider joining us for dinner and raffles or playing fantasy golf where you are matched with a tournament golfer and if they win you win.
